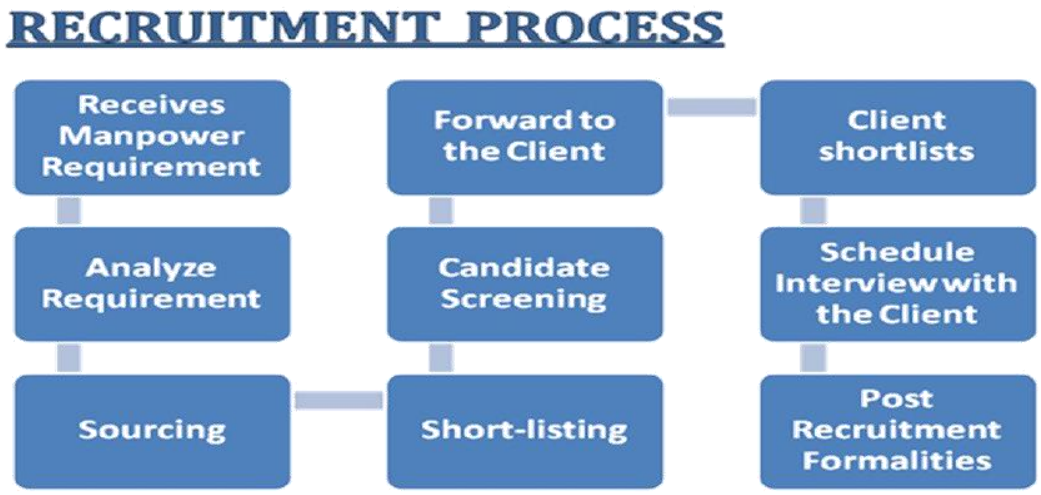
HR Services under KEONICS Project



Contract Staffing

Contract staffing services will help to fill needs for qualified employees. Whether you require support for upcoming projects, meet seasonal requirements or reduce workforce during slow periods. Hiring employees on a contract basis allows your company to maintain proper staff levels and retain the talent available today, while reducing staffing costs

Permanent Staffing

Through our Permanent Staffing services, SAN IT is able to source, assess and hire talent faster and more efficiently. We drive the entire recruitment lifecycle i.e. from strategy planning, to back ground check, offer coordination and follow-up. This will save your time and money while helping you achieve your business goals.

Temp-Permanent Staffing

Our Temp-to-Permanent staffing services, allows you to hire the employee permanently from temporary roles. You can observe the employee to determine if he or she is the right fit for the position. Once the contract period is complete, the employee can be hired on a permanent basis.
